The connected papers relate to the proposal to levy a cess @ 6% on the increase in 1923 was passed in connection with the question of estimates for the execution of repairs to charitable institutions, the other question being mainly dealt with in the further question of the sanctioning of Mavgrai works which were sanctioned before the passing of the above govt order, but which have not yet been completed. The question has arisen for orders as the Executive Engineer, Trunkiri Division, to whom a recent bill on account of repairs to the Sri Ponnavanadanami temple at Bettavi, Trunkur Taluk, was sent for payment to the contractor, before making payment is reported to have returned the bill as in the opinion of the Ex. Engr. the govt order of 30th Jany 1923 did not apply to old and incomplete Mavgrai works estimates for which were passed prior to the date of the above G.O. The G.O. in question was passed in consultation with the P.W. Dept. Govt for orders.

To make the position clear, it is submitted that all Marai works were being attended to by the late Maramat staff of the Dist. Engr. The Marai Dept as such has no Engineering establishment in this District Office. Now that the Maramat establishment has been abolished, Marai works cannot be attended to by any other agency but the P.W.D. ~~Even the incomplete~~ works that were being attended to by the late Maramat staff of this District Office and are now in incomplete condition have to be brought to completion under Efficient Control and the only agency that can be asked to attend to them is the P.W.D. The Chief Engr, A.Ds. & S. may be requested to state whether in the above circumstances the works may be entrusted to their dept.

there is no objection to carrying out
further work by the Public Works Department
but it is feared that contractors will
forward similar claims, knowing well that the
Public Works Department officers are not fit
of the details of works actually executed
before. Any work before further orders is entrusted
to the Public Works Department. It is not strictly
necessary to have a bill prepared by the subordinate
or a responsible Overseer subordinate as to enable
the payments due to contractors in full settlement
of the work already done. This will also save a
good deal of unnecessary correspondence between
the two Departments which will inevitable otherwise

Office of the Muzrai Commissioner in Mysore,

Dated, Bangalore, the 20th April 1923.

From

K. Chandy, Esquire, B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

22 APR 1923

To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department,

Bangalore.

Sir,

With reference to Government Order No.2170-80/Muz.552-21-4 dated 30th January 1923 prescribing certain rules for the preparation of estimates and execution of repairs to Muzrai Institutions, I have the honor to forward for orders of Government copy of letter No.C.C1540/18-19 dated 5th April 1923 from the Deputy Commissioner, Tumkur District, together with a copy of its enclosure viz., the Tumkur Division Executive Engineer's letter No.339 dated 12th March 1923 addressed to the Deputy Commissioner re: the professional scrutiny of Muzrai bills relating to works sanctioned prior to the date of the Government Order referred to above, but remaining incomplete before they are passed for payment.

Since no special instructions re: measurement and execution of such works are given in the Government Order, I beg to suggest that Government may be pleased to order that the incomplete works also may be attended to by the Public Works Department.

I have the honor to be,

S i r,

Your most obedient servant,

K. Chandy

Muzrai Commissioner.

D.N.

ner,

Letter No.O.C.1540/18-19 dated 7th April 1923 from the Deputy Commissioner, Tumkur District, to the Muzrai Commissioner in Mysore:-

---

"I have the honor to state that in Government Order No.2170-80/Muz.552-21-4 dated the 30th January 1923, directions have been given regarding the preparation of estimates and execution of repairs to Muzrai institutions by the Public Works Department. The order seems to apply only to new works to be taken up hereafter, but not to old works that have already been sanctioned and remaining incomplete.

2. On a reference made to the Executive Engineer, Tumkur Division, requesting to scrutinise the Muzrai bill relating to the repairs of the Someswaraswami temple at Bellavi, the estimate of which was sanctioned by Government in their Order No.365-6/Muz. 464-20-21 dated the 20th July 1921 for Rs.2,604/-, he has returned the bill without scrutinising the same, stating that the Government Order of the 30th January 1923 did not seem to contemplate anything about the old and incomplete works, a copy of which is enclosed for kind reference.

3. I therefore request early orders regarding the professional scrutiny of such bills before they are passed for payment."

Copy.

for Muzrai Commissioner. 20/4/23.

D.N.

Letter No.559 dated the 12th March 1923 from the Executive Engineer, Tumkur Division, to the Deputy Commissioner, Tumkur District, Tumkur:-

---

"With reference to your No.O.C.1540/18-19 dated the 20th February 1923 forwarding a file of correspondence together with two measurement books and a bill for Rs.687-1-10 for repairing the Someswara temple at Pellavi for scrutiny, I have the honor to state that the measurement books and the bill have been checked with reference to the sanctioned estimate by the Muzrai Accountant and the measurements have been checked by the Amildar as per rules in force till now. Hence the bill may be passed as usual.

2. The Government Order No.2170-80/Muz.552-29-4 dated 30th January 1923 does not seem to contemplate anything about the old and incomplete works, which should be dealt with as hitherto. The enclosures are returned herewith.

Copy.

2. Letter No. C.1469 of 1922-23 dated 21-4-23 from the Muzrai Commissioner in Mysore forwarding copy of letter No. C.1540/18-19 dated 5-4-23 from the Deputy Commissioner, Tumkur District, together with its enclosure, stating that on a reference made to the Executive Engineer, Tumkur Division, requesting that a measurement ~~manuscript~~ bill for the repairs of the Sri Someswaraswami temple at Bellavi, Tumkur Taluk, for which an estimate for Rs. 2604/- had been sanctioned in G.O. No.365-6/Muz.464-20-4 dated 20-7-21 might be scrutinised before making payment, the same was returned by him on the ground that the Govt. order of 30th January 1923 did not seem to contemplate anything about the old and incomplete works, and requesting early orders regarding the professional scrutiny of such bills before they are passed for payment.

Order No. 3042-52 dated 16th June '23
Mus 552-21-6

The Muzrai Commissioner suggests that since

since no special instructions regarding the measurement and execution of incomplete Muzrai Works have been laid down in the G.O. referred to above, Covernment may be pleased to order that incomplete works also may be attended to by the Public Works Department.

2. Hitherto all Muzrai works ~~xxx~~ were being attended to by the Maramat Establishment of the District Offices which has since been abolished. Since the Muzrai Department has no Engineering Establishment of its own, Muzrai works cannot be scrutinised by any agency other than the P.W.D. The works that were being attended to by the late Maramat staff, and which are now in an incomplete condition, have therefore to be brought to completion by the P.W.D.

3 The Chief Engineer, Roads and Buildings, who was consulted in the matter, states that there is no objection to the proposal being given effect to, but that before further work is entrusted to the P.W.D., it is absolutely necessary to have bills prepared by the Amildars or a responsible Muzrai subordinate so as to show the payments due to contractors in full settlement of the work already done.

4. Government agree with the Chief Engineer and are pleased to direct that, whenever incomplete works are entrusted to the P.W.D. for further execution and completion, final bills relating to the portions of the work done should be prepared by the Amildar

or

or by a responsible Muzrai subordinate, and forwarded to the Executive Engineer of the Division concerned with a detailed report indicating clearly the [illegible] account and any other particulars to which it may be considered desirable to draw the Executive Engineer's special attention. A report may be also be made to the Chief Engineer for information.
